

SharkBite Male Threaded Connector

A high performance, time and labour-saving solution for connecting compressed air and pneumatic piping systems.

Overview

The SharkBite Air & Pneumatics range enables fast, simple and reliable pipe connections. Available in 10 to 54mm sizes, the robust brass-body fittings can withstand high pressure and a range of system requirements, making it ideal for small to large commercial and industrial applications.

Using a simple push-fit action, pipes are instantly joined without the need for tools, silicon, hot works, solder or glue. Fittings can also be disconnected with a secure demounting tool, making system extensions and modifications quick and easy.

Designed to securely and firmly grip the system's anodised aluminium pipe, SharkBite Air & Pneumatics provides an air tight seal. The range is also compatible with powder coated aluminium, copper, PEX-a or nylon pipe.

Features

- Push-fit connection ends
- Engineered brass body
- Nitrile O-Ring and stainless steel grab ring
- 18-20 bar pressure rating
- Secure demounting tool

Benefits

- Durable solution that withstands high pressure
- Instant, tool-free, push-fit connection
- No hot works, silicon, solder or glue
- Quick and easy system reconfiguration and extension, with minimal downtime
- A versatile solution that connects to metal or plastic pipe

Product code	Size	Description	Bag qty
SBA111515MT	15mm x 1/2" BSP	Male Threaded Connector	5
SBA112220MT	22mm x 3/4" BSP	Male Threaded Connector	5
SBA112825MT	28mm x 1" BSP	Male Threaded Connector	1
SBA113532ME	35mm x 1 1/4" BSP	Male Threaded Connector	1
SBA114240ME	42mm x 1 1/2" BSP	Male Threaded Connector	1
SBA115450ME	54mm x 2" BSP	Male Threaded Connector	1

Approvals

The design and working parameters of the SharkBite Air & Pneumatics fitting range fall within the SEP (Sound Engineering Practice) range of the Pressure Equipment Directive.

Rigorous manufacturing and quality control, as well as long-term internal product testing, ensure the durability and seamless performance of the SharkBite Air & Pneumatics fittings.
