Diversity policy

1 Overview

The Board of directors of Reliance Worldwide Corporation Limited (**Company**) is responsible for the overall management of the Company, including guidance as to strategic direction, ensuring best practice corporate governance and oversight of management. The Company recognises that people are its most important asset and is committed to the maintenance and promotion of workplace diversity.

Diversity drives the Company's ability to attract, retain, motivate and develop the best talent, create an engaged workforce, deliver the highest quality services to its customers and continue to grow the business.

The Board has formally approved this Diversity Policy (**Policy**) in order to address the representation of women in senior management positions and on the Board, and to actively facilitate a more diverse and representative management and leadership structure.

2 Scope

The Company's vision for diversity incorporates a number of different factors, including gender, ethnicity, disability, age and educational experience. At a Board and senior management level, gender has been identified as an area of focus for the Company. Accordingly, the primary focus of this Policy is achieving, over a reasonable transition period, balanced representation of women in senior management positions and on the Board.

The strategies outlined below aim to achieve the objectives of this Policy by:

- setting measurable objectives relating to gender at all senior management and leadership levels;
- broadening the field of potential candidates for senior management and board appointments;
- increasing the transparency of the board appointment process; and
- embedding the extent to which the Board has achieved the objective of this Policy in the evaluation criteria for the annual Board performance evaluation.

3 Promoting diversity

In order to facilitate greater diversity in management and leadership roles, the Company will:

- introduce and supplement the measures outlined in this Policy; and
- implement policies which address impediments to gender diversity in the workplace (including parental leave and flexible working arrangements that assist employees to fulfil their domestic responsibilities), and review these policies to ensure that they are available to and utilised by both men and women.

4 Measurable objectives

Each year the Board will set measurable objectives with a view to progressing towards a balanced representation of women at a Board and senior management level.

Performance against these objectives will be reviewed annually by the Nomination and Remuneration Committee, as part of its annual review of the effectiveness of this Policy.

The Board will include in the Annual Report each year:

- a summary of the Company's progress towards achieving the measurable objectives set under this Policy for the year to which the Annual Report relates; and
- details of the measurable objectives set under this Policy for the subsequent financial year.

5 Gender representation review

On an annual basis, the Nomination and Remuneration Committee will review the proportion of women who are employed by the Company as a whole, in senior management positions and who are on the Board. The Nomination and Remuneration Committee will submit a report to the Board outlining its findings.

The Company will annually disclose the proportion of men and women employees in the Company as a whole, in senior management and on the Board or, if applicable, the Company's most recent "Gender Equality Indicators" as defined by the *Workplace Gender Equality Act 2012* (Cth).

6 Recruitment, selection and succession planning

6.1 Succession planning

The Nomination and Remuneration Committee is responsible for the development and succession planning process for the Chief Executive Officer (**CEO**) and the CEO's direct reports and making recommendations to the Board for approval.

6.2 Board appointment process

The Board will develop and disclose a board appointment process, which includes selection criteria and outlines the selection process for Board positions.

The Nomination and Remuneration Committee is responsible for identifying qualified individuals for appointment to the Board. In identifying candidates, the Nomination and Remuneration Committee will have regard to the selection criteria set out in the board appointment process, which will include:

- skills, expertise and background that add to and complement the range of skills, expertise and background of the existing directors; and
- the extent to which the candidate would fill a present need on the Board.

7 Disclosure of Policy

A summary of this Policy and the Company's achievement of the Policy's objectives will be disclosed in the Company's Corporate Governance Statement.

8 Review of Policy

The Nomination and Remuneration Committee is responsible for the review and oversight of this Policy. In executing this role, the Nomination and Remuneration Committee will, with the appropriate support and input from management:

- review on an annual basis:
 - 1 the effectiveness of this Policy, its objective and the strategies outlined above, which aim to achieve the objective; and
 - 2 the division of responsibilities and accountability for developing and implementing diversity initiatives across the organisation; and
- report to the Board on the outcomes of its review, including any recommendations for changes to those strategies or the way in which they are implemented.
